

mobile and web developer

JERNEJ ZOREC

jernejz@gmail.com www.nej.si

WORK

- 2005 - 2011** **www.agenda.si**
Agenda d.o.o., Maribor Senior web developer, Student work & Full-time
- Jun - Sep 2004** **www.intera.si**
Intera d.o.o., Ptuj Junior web developer, Student work

EXPIRIENCE

Web development Worked on bigger projects for government and some big corporations. Love to study how large scale products with new technologies work.

Mobile development Developed few apps with cross platform solutions for iOS and Android.

Type of work My work is mostly focused on programming, but I also have experience in project management and leading a smaller team of developers.

Certification Certified TYPO3 integrator
Zend Certified PHP5 Engineer

EDUCATION

2005 - 2012 **University of Maribor**
Computer Science & Informatics, finished with diploma on mobile development

2000 - 2004 **Gimnazija Ormož**
Highschool

SKILLS

Software Passionate about open source, working with TYPO3 CMS for many years, fairly new to mobile development but learning fast, excited about new technologies and working on large scale projects

Languages HTML & CSS, Mobile development with cross platform solutions, advanced PHP programming, Javascript & jQuery, system administration skills for linux based systems.

MISC

Speaking Slovenian, German and English. Love to travel and explore. Always staying hungry and foolish to get as much new knowledge as possible.
